No bathing in toxic waste

What it is:

A special blend of moisturizing oils and warm aromas creates a pure oasis of bubbles that bloom in your bath—a bubble bath formula of organically certified plant extracts... free from synthetics, artificial fragrances, colour and silicones.

What it does:

This is the ultimate bubbly potion for soaking from head to toe—nurturing and revitalising skin, body and senses. eco.kid's pure oils are a unique blend of ancient essences of Ylang-ylang, Sweet Orange, Grapefruit, Patchouli, combined with uniquely Australian oils of Rosalina, Broad-leaf Paperbark Gum and Lemon-scented Iron Bark Gum.

How to use it:

Pour 2-4 capfuls under warm running water in the bath.

When to use it:

It is suitable for everyday use on children. After bathing, gently pat skin dry, then follow with *Potion Lotion* moisturiser to seal in the warmth and vitality.

Results:

It provides effective cleansing for frequent use and is exceptionally gentle on the skin.
