

Hydrate Intense Conditioner

500ml & 250ml

No sulphates
No artificial preservatives
No artificial fragrances
No artificial colouring
No silicone
No bread crusts

What it is:

Hydrate conditioning enhances curl, combats frizz and boosts shine on curly, dehydrated or wavy hair. Helps repair and re-moisturize damaged hair—infusing it anew with healthy movement, silkiness and shine.

What it does:

eco.kid's exclusive plant infusion—a blend derived from organically certified ultra-marines, coconut fatty acids and guar bean, combined with curl fortifying nono-peptides from organically certified wheat—creates a smooth new surface on hair. Significantly reduces frizz and unwanted wave, helps prevent flyaways that lice love to use for transfer. Protects against surface damage from regular shampooing, heat styling and UV damage.

How to use it:

Massage into scalp and hair after shampooing with eco.kid shampoo. Rinse. For best results style with *Daily Tonic*, finish with *Bubbalicious* smooth protection paste.

Protects effectively, moisturizes and reduces frizz

Contains 3% pure Australian essential oils >75% certified organic/pure plant essences

When to use it:

It is suitable for everyday use on children over three years old.

Results:

It provides sustained moisture and body resulting in shine, flexibility and tangle free combing.

Is recommended for:

- naturally curly, coarse textured hair;
- coarse, unruly hair;
- delicate and sensitive skin;
- coarse, unruly hair;
- normal, oily or dry scalps;
- itchy or scaly scalps;
- helping to make hair unattractive for head lice; and
- children over three years old.

Features:

- Contains 100% pure essential oils.
- Adds strength to fine, brittle hair.
- Reduces hair breakage by more than 80%.
- Nourishes curly hair to prevent frizzies that lice love to use for transfer.
- Contains natural wheat peptides to soothe the skin.
- Assists in the prevention of dry hair and scalp.
- Effortless combing and detangling.
- Artificial preservative, artificial fragrance and artificial colouring free.
- Plant derived, organically certified and/or wild harvested ingredients.
- Readily biodegradable.
- Natural plant moisturisers.
- Waterway friendly.
- Contains natural solvent plant oils to assist in cleaner rinsing.
- Smells nice to us but not nice for head lice.

Key flower & plant ingredients:

- Lemon-scented Myrtle, Lemon-scented Tea Tree, Aniseed Myrtle/Aniseed Oil, Citrus Peel Extract and our unique Melaleuca Tea Tree Blend, provide primary fragrant notes that smell nice to us but not nice for head lice. Further, this cocktail of essences assists as a natural preservative within our formulation.
- Australian Blue Cypress and Australian Sandalwood Oil act as Mother Nature's preservatives. These natural essences prevent the growth of bacteria and fungus.
- Organically certified Wheat Peptides act to reduce hair breakage and repair damaged hair.
