

Nourish Daily Conditioner

500ml & 250ml

No synthetics
No artificial preservatives
No artificial fragrances
No artificial colouring
No silicone
No pips (yuck!)

What it is:

It is naturally derived and deep moisturising. It adds strength and vitality to young hair. It contains no artificial preservative, colouring or fragrance, is proudly readily bio-degradable and waterway friendly.

What it does:

Rich in fortifying wheat proteins to feed growing hair, it contains plant-derived moisturisers that naturally bind and sustain moisture and nourish away knots and tangles. Gentle organically certified Wheat Peptides soothe sensitive scalps and re-balance the natural protective mantle of the skin. It is incredibly effective as a detangler and promotes a healthy shine.

eco.kid's essential oils:

- contain natural terpenes and hydrocarbons which assist in rinsing excess conditioner from the hair, which leaves the hair and scalp with a freshness unparalleled by normal conditioning products; and
- release pure fumes from the hair and scalp which help make hair unattractive for head lice but smell wonderful to us all day long.

Strengthens and moisturises

Contains 3% pure Australian essential oils

>95% certified organic/pure plant essences

How to use it:

Apply a small amount to wet hands. Work over the hands first and then disperse evenly throughout the hair. Begin at the nape.

When to use it:

It is suitable for everyday use on children over three years old and ideal to complement **Prevent** or **Prevent Sensitive** shampoo.

When not to use it:

Do not use if there is a known sensitivity to any essential oils. A patch test should be carried out prior to use on sensitive or infant skin (*refer to the "Patch Test" instructions in the 'Usage Guidelines' section on Page 15 of this guide*).

Results:

It provides sustained moisture and body resulting in shine, flexibility and tangle free combing.

Is recommended for:

- delicate hair that becomes easily tangled;
- delicate and sensitive skin;
- naturally curly, ultra fine textured hair;
- coarse, unruly hair;
- normal, oily or dry scalps;
- itchy or scaly scalps;
- helping to make hair unattractive for head lice; and
- children over three years old.

Features:

- Contains 100% pure essential oils.
- Adds strength to fine, brittle hair.
- Reduces hair breakage by more than 80%.
- Nourishes curly hair to prevent frizzies.
- Contains natural wheat peptides to soothe the skin.
- Assists in the prevention of dry hair and scalp.
- Effortless combing and detangling.
- Artificial preservative, artificial fragrance and artificial colouring free.
- Plant derived, organically certified and/or wild harvested ingredients.
- Readily biodegradable.
- Natural plant moisturisers.
- Waterway friendly.
- Contains natural solvent plant oils to assist in cleaner rinsing.

Key flower & plant ingredients:

- Lemon-scented Myrtle, Lemon-scented Tea Tree, Aniseed Myrtle/Aniseed Oil, Citrus Peel Extract and our unique Melaleuca Tea Tree Blend, provide primary fragrant notes and smell nice to us but not nice for head lice. Further, this cocktail of natural essences assists as a natural preservative within this formulation.
- Australian Blue Cypress and Australian Sandalwood Oil act as Mother Nature's preservatives. These natural essences prevent the growth of bacteria and fungus.
- Organically certified Wheat Peptides act to reduce hair breakage, repair damaged hair and act as a powerful anti-inflammatory to reduce an inflamed and/or itchy scalp.
- Vitamin E, a natural antioxidant derived from Seaweed.
- Coconut derived moisturisers nourish the scalp and hair.
- Holistic Aloe Vera... totally unprocessed from the plant pulp to our bottle, guaranteeing the purest actives for soothing the scalp.
