

## Tuff Stuff Strong Styling Shield

100gm

**No synthetics**  
**No artificial preservatives**  
**No artificial fragrances**  
**No artificial colouring**  
**No silicone**  
**No floppy doos**

### **What it is:**

Tough, matte clay that helps to keep hair at bay. Formulated with pure Australian essential oils, that smell nice to us but not nice for lice. **Tuff Stuff** takes a beating, stick hair up or fix it down flat... points, twists and bits... this stuff is for serious styling. Use it wet to hold hair slick or use it dry to stack hair high. Most importantly **Tuff Stuff** is completely water soluble and completely waterway friendly.

### **What it does:**

eco.kid's **Tuff Stuff** contains more than 3% pure essential oils. These plant essences contain natural phyto-chemicals which assists by:

- releasing pure fumes from the hair and scalp which smell nice to us but not nice for head lice; and
- reducing fly-away hair that head lice use for transfer.

Through these actions they act as a natural aid. As long as we can smell them in the hair they will aid against head lice.

### **How to use it:**

Apply a small amount to dry hands. Work over the hands first and then disperse evenly throughout the hair. Style as required.

### Strong matt clay

Contains 3% pure Australian essential oils

>48% certified organic/pure plant essences

### **When to use it:**

Use Wet or Dry. Ideal for spiky, sculptured doo's on short hair dry or try a small amount in wet hair to slick hair flat for the perfect plait. A pea sized dab evenly spread in freshly washed hair will act a flat-iron styler when heat styling.

It is suitable for everyday use on children over three years old.

### **When not to use it:**

Do not use if there is a known sensitivity to any essential oils. A patch test should be carried out prior to use on sensitive or infant skin (*refer to the "Patch Test" instructions in the "Usage Guidelines" section on Page 15 of this guide*).

### **Results:**

**Tuff Stuff** takes a sustained beating... stick hair up or fix it down flat... points, twists and bits... this stuff is a firm wax for serious styling.

### **Is recommended for:**

- delicate and sensitive skin;
- high hold hairstyles;
- naturally curly, ultra fine textured hair;
- coarse, unruly hair;
- normal, oily or dry scalps;
- itchy or scaly scalps;
- helping to make hair unattractive for head lice; and
- children over three years old.

**Features:**

- Contains 100% pure essential oils.
- Adds strength to fine, brittle hair.
- Nourishes hair as it styles.
- Assists in the prevention of dry hair and scalp.
- Free of synthetic preservative, fragrance colouring, resins and waxes.
- Readily biodegradable.
- Natural plant waxes.
- Plant derived, organically certified and/or wild harvested ingredients.
- Natural plant moisturisers.
- Waterway friendly.
- Natural solvent oils to assist in effortless rinsing.
- Smells nice to us but not nice for head lice.

**Key flower & plant ingredients:**

- Lemon-scented Myrtle, Lemon-scented Tea Tree, Aniseed Myrtle/Aniseed Oil, Citrus Peel Extract and our unique Melaleuca Tea Tree Blend, provide primary fragrant notes and help make hair unattractive for head lice. Further, this cocktail of plant essences assists as a natural preservative in this formulation.
- Australian Blue Cypress and Australian Sandalwood Oil act as Mother Nature's preservatives. These natural essences prevent the growth of bacteria and fungus.
- Jojoba Esters and jojoba Wax serve as the styling bio-polymer in this formulation... they are exceptionally compatible with the skin and hair and are functional conditioning agents for the skin and layer of the hair.
- Vitamin E, a natural antioxidant derived from Seaweed.

**Ingredients:**

Jojoba Wax PEG-120, Jojoba Wax PEG-80, Cetyl-Stearyl Alcohol (Coconut)\*, Glycerin (and) Glyceryl Polyacrylate, Aqua (Spring Water)\*, Distearoylethyl Hydroxyethylmonium Methosulphate (Coconut), Cetearyl Alcohol (Coconut)\*, Hydrogenated Castor Oil PEG-40, "Botanical Complex" (Cocos Nucifera, d'Limonene, Melaleuca Quinquenervia, Leptospermum Petersonii, Backhousia Citriodora, Backhousia Anisata, Pimpinella Anisum, Eucalyptus Radiata, Mentha Piperita, Citrus Paradisi, Santalum Spicatum, Callitris Intratropica)\*, Lecithin (Egg Yolk) (and) Tocopherol (Vit E) (and) Ascorbyl Palmitate (Vit C) (and) Hydrogenated Palm Glycerides Citrate, Citral†, Geraniol†, Linalool†, Farnesol†, Citronellol†, Eugenol†, Nerolina†
